

Rein Europe tour members will be required to show a valid **PASSPORT** to board international flights and to cross international borders. A birth certificate cannot be substituted.

Passport Information and applications are available online at <http://iafdb.travel.state.gov/>. This website will direct you to the Passport Processing Center closest to your home (most often a local post office). Routine processing time is 6 weeks.

Please remember to bring the passport to tour on your first day - DO NOT SEND passports to our office.

We request that you send us the information below, along with 2 passport size photos (2 inch x 2 inch). This information will help us obtain a replacement passport in the event that you misplace your passport during the tour.
